

RAVENNA NUAIMY-BARKER

Ravenna Nuaimy-Barker is a Senior Consultant at Reos Partners, specializing in systems change and transformative solutions to social and environmental challenges.

With over two decades of experience, she helps diverse stakeholders address issues like social cohesion, sustainability, and justice through innovative, collaborative processes.

She brings expertise in strategy, evaluation, and process facilitation, with previous leadership roles at UNEP, Sustain Ontario, and FoodShare Toronto.

Ravenna currently resides in Geneva, Switzerland, where she continues to support global change efforts.
